

SunTrac[®] Switch

Wireless | Low-Profile | Easy to Use

Features

- 1 Allows you to easily control Healthe's family of wireless-enabled luminaires and gives you access to the full functionality of all the options those products offer
- 2 Mounting options allow you to mount directly to wall via a junction box or use as a handy portable device
- 3 Controls for on/off, intensity, spectrum*
- 4 No wiring or batteries needed
- 5 One switch can control a room of luminaires. Luminaires may pair to more than one switch, allowing multiple mounting locations for room controls.

* To order replacement accessories, please contact your agent or Healthe's customer service at 1-877-999-5742.
